Your child will be placed on a team with other participants from his/her school as long as openings exist. Teams will not be formed according to the neighborhood you live in or the street you live on. If your child does not attend any of the schools listed on the registration form, please select the school nearest to your residence. Your best chance for getting on the same team as your friend(s) is to register for the same school at the same time. Teams are formed by school and time of registration and there is no guarantee your child will be placed on their friend's team. We are unable to accept special requests for team placement. This includes requests to play on a specific team or with a specific individual. Siblings in the same division will be placed on the same team. For liability reasons, we are unable to allow players to play up or down from their age group. **We appreciate your understanding.**
